A talk on Breast Cancer Awareness

Organized by Women Cell

Report

Date: 03- 11- 2023

The Women Cell of Gandhi Memorial National College Ambala Cantt organized a talk on 'Breast Cancer Awareness' on 3.11.2023. All the staff members of the college participated in the talk. Principal Dr. Rohit Dutt and program coordinator Dr. Seema Kansal welcomed oncologist Dr. Mamta Singla and Dr. Deepak Malhotra of Adesh Medical College and Hospital, Ambala Cantt. Keynote speaker Dr. Mamta Singla explained in detail about the initial symptoms of breast cancer. She told that the most common sign of breast cancer is a lump, deep in the breast. It often feels hard, like a lemon seed, and usually immovable. It can be any shape or size. Breast cancer can sometimes build up to the point that it breaks down the skin of the breast to form an open wound. Dr. Deepak Malhotra told in his talk that this disease is increasing rapidly in women. During this time, he asked women to immediately consult a specialist doctor and start treatment if any initial symptoms of breast cancer are found. He asked women to do regular exercise, eat nutritious food and exclusively breastfeed their newborn baby for minimum six months. Most of the members of teaching and non-teaching staff were present during the talk.

Rally on "Abuse of Older people"

G.M.N. College Ambala Cantt

A rally was organized on "the abuse of older people" under SDG (sustainable development goal) club in collaboration with the Department of Psychology and Sociology on 5th September 2023. The faculty coordinator of the SDG Activity, Dr. Anupama Sihag briefed about the motive of rally and talked about the abuse of older people. She expressed that Elder Abuse is an issue one often refrains from talking about or acknowledging that it exists. She also mentioned that over the past few years Help Age India has been conducting detailed surveys to understand this growing crime against elders, by getting the elder perspective, their understanding and experiences. Students expressed their ideas about elder abuse that primary reasons underlying their abuse are emotional dependence and economic dependence on the abusers and changing ethos. Almost 60 students participated in the rally. Dr. KK Poonia, Dr. Ritu Gupta, Mr. Shyam Raheja and Mrs. Rachna Khanna were present on this occasion along with other faculty members of the college. This activity has spread awareness regarding abuse of older people, its impact on older people and would help in eradicating this negative aspect from society at large.

Lecture on "Overcoming the stigma of Mental Illness"

Date:

On the occasion of World Mental Health Day, a lecture was organized on how to overcome the stigma of mental illness. The lecture was organized by Department of Psychology in association with Psychological Counseling Centre. Dr. Anupama Sihag, Assistant Professor of Psychology delivered lecture. Mental health is a state of mental well-being that enables people to cope with the stresses of life, realize their abilities, learn well and work well, and contribute to their community. It is an integral component of health and well-being that underpins our individual and collective abilities to make decisions, build relationships and shape the world we live in. Mental health is a basic human right. And it is crucial to personal, community and socio-economic development. Mental health is more than the absence of mental disorders. It exists on a complex continuum, which is experienced differently from one person to the next, with varying degrees of difficulty and distress and potentially very different social and clinical outcomes. It was communicated that seeking counseling, educating yourself about your condition and connecting with others who have mental illness can help a person in gaining self-esteem and overcome destructive self-judgment. It was advised not to isolate oneself. Having a mental illness, people may be reluctant to tell anyone about it. Around 45 students participated in the event and this lecture would be beneficial in overcoming stress and anxiety of students related to taboo associated with disclosure regarding mental health issues.

REPORT

Two students from GMN College, named Bharti from B.Sc.(CS)IIIrd year, Roll no: 1211602015025 and Rahul from B.Sc.(CS)IIIrd year, Roll no: 1211602015061, created an IP address tracker at Inter-District Science Exhibition held at Govt. P.G. College for Women sector 14, Panchkula on January 30, 2024.

They developed an IP Address Tracker for the project to aid in network monitoring, to provide information about geographical locations and for cyber security purpose. To create it they utilized three languages:

1. HTML for structuring the interface.
2. CSS for styling the elements.
3. JAVA for implementing functionality.

They opted for java because they integrated an API, necessitating the use of JSON for importing. They used 2 API's for this project:

1. IP-API, which provided IP Addresses.
2. Leaflet, which helped to import maps so that we could determine the location of those IP Addresses.

A talk on Breast Cancer Awareness

Organized by Women Cell

Report

Date: 03- 11- 2023

The Women Cell of Gandhi Memorial National College Ambala Cantt organized a talk on 'Breast Cancer Awareness' on 3.11.2023. All the staff members of the college participated in the talk. Principal Dr. Rohit Dutt and program coordinator Dr. Seema Kansal welcomed oncologist Dr. Mamta Singla and Dr. Deepak Malhotra of Adesh Medical College and Hospital, Ambala Cantt. Keynote speaker Dr. Mamta Singla explained in detail about the initial symptoms of breast cancer. She told that the most common sign of breast cancer is a lump, deep in the breast. It often feels hard, like a lemon seed, and usually immovable. It can be any shape or size. Breast cancer can sometimes build up to the point that it breaks down the skin of the breast to form an open wound. Dr. Deepak Malhotra told in his talk that this disease is increasing rapidly in women. During this time, he asked women to immediately consult a specialist doctor and start treatment if any initial symptoms of breast cancer are found. He asked women to do regular exercise, eat nutritious food and exclusively breastfeed their newborn baby for minimum six months. Most of the members of teaching and non-teaching staff were present during the talk.

अम्बाला। नगर निगम अंबाला शहर के अन्तर्गत आदर्श नगर कॉलोनी का नाम तो आदर्श नगर है लेकिन यहां के लोग मूलभूत सुविधाओं से वंचित है और नारकीय जीवन जीने का मजबूर हैं। लोगों ने बताया कि पानी की निकासीका कोई प्रबंध नहीं है। बरसात के दिनों में यहां लोगों के घरों में पानी धुस जाता है साफ सफाई का कोई बंदोबस्त नहीं है। इस आदर्श नगर में पानी की निकासी जो कि आगे की कालोनियों से होकर जैसे की सर्कुलर रोड है के लोगों ने अक्रोशमेंट कर वहां से गुजर रहे नाले को बंद कर रखा है। नाले कई-कई महीनों से साफ नहीं होते।

सफाई कर्मचारियों का कहना है कि हम सफाई कैसे करें लोगों ने अवैध कब्जे किए हुए हैं। इस समस्याओं को लेकर आखिर आदर्श नगर के लोगों का एक शिष्टमंडल पहले तो नगर निगम कमिश्नर से मिला लेकिन कमिश्नर के न होने के कारण उन्होंने अपनी समस्या को खिड़की में दर्ज

पर भेजा और पूरी रिपोर्ट देने को कहा और शिष्टमंडल से कहा कि आपकी समस्या का जल्द ही निवारण करवाऊंगी। अंबाला हलचल को जानकारी देते हुए शिष्टमंडल का नेतृत्व कर रहे एसके चोपड़ा ने बताया कि कहने को यह नगर आदर्श नगर है लेकिन यहां की समस्याएं

बहुत ज्यादा है। यहां नाले होने के कारण नाले नालियों का पानी सड़कों पर हमने इस बारे में मनोनिवेदन सहोता को बताया और मौके पर लेकिन समस्या का कोई प्रबंध अब हमने नगर निगम कमिश्नर को समस्या को मौखिक रूप से बता दी है मिला है कि जल्द ही इस समस्या को ठीक किया जाएगा। अब देखें इसका हल होगा, कब होगा समय बताएगा। शिष्टमंडल के कई लोग मौजूद रहे विभागों से रिटायर्ड अधिकारियों
